Hi Dr Blanco,

What do you think of the 2 of us meeting with a Superintendent from another district that has done consolidation?

How about Dr Mendoza from Baldwin Park and/or Dr Lopez from Azusa? Or I'm open to your ideas. Although they may have done it before AB 1912. What about Dr Jimenez who was Superintendent of Hacienda La Puente during consolidation?

We can meet them prior to Friday or they can join us on Friday. I'm leaning towards prior but either I think would be fine.

Regards,  
Tina Fredericks

Hi,

I have consolidated schools in Pasadena Unified three other times, three different ways. Most of the Sups that closed schools for the first time in the San Gabriel Valley are no longer at their Districts now.

Their context is not the same as our context and we are working with a divided Board and now a divided community. I asked to bring forward visioning because the SLT strongly believes we need common ground to move community forward. I have explained this is not the direction of the Board at this time.

Is it possible for you to be open to engaging in a conversation with Sonya Lopez to ask if there is a way to consider incorporating this new resolution and visioning?

I will check with Dr.Chan Hill and Mr.Avanesyans to see if they are interested in talking to leaders in other Districts. Dr.Chan Hill talked with Dr.Anderson about Hacienda closures and their process.

[REDACTED] ?

Best,  
Dr.Blanco

No thank you on visioning. You have repeatedly asked about this and I have repeatedly said no. This is an example which causes me to lose confidence. Please don't ask me about visioning again. There are more tools in the tool belt. Put away that tool for later after consolidation is complete. No thank you to Sonya since she involves visioning.

I think this is an issue of applying a solution to the wrong problem.

No thank you on visioning. You have repeatedly asked about this and I have repeatedly said no. This is an example which causes me to lose confidence. Please don't ask me about visioning again. There are more tools in the tool belt. Put away that tool for later after consolidation is complete. No thank you to Sonya since she involves visioning.

I think this is an issue of applying a solution to the wrong problem.

Hi,

I appreciate your suggestions I know some of these leaders well and [REDACTED]  
[REDACTED]

I have consolidated schools in Pasadena Unified three other times, three different ways. Most of the Sups that closed schools for the first time in the San Gabriel Valley are no longer at their Districts now.

Their context is not the same as our context and we are working with a divided Board and now a divided community.

I asked to bring forward visioning because the SLT strongly believes we need common ground to move community forward. I have explained this is not the direction of the Board at this time.

Is it possible for you to be open to engaging in a conversation with Sonya Lopez to ask if there is a way to consider incorporating this new resolution and visioning?

I will check with Dr.Chan Hill and Mr.Avanesyans to see if they are interested in talking to leaders in other Districts. Dr.Chan Hill talked with Dr.Anderson about Hacienda closures and their process.

Best,  
Dr.Blanco

Hi Dr Blanco,

What do you think of the 2 of us meeting with a Superintendent from another district that has done consolidation?

How about Dr Mendoza from Baldwin Park and/or Dr Lopez from Azusa? Or I'm open to your ideas. Although they may have done it before AB 1912. What about Dr Jimenez who was Superintendent of Hacienda La Puente during consolidation?

We can meet them prior to Friday or they can join us on Friday. I'm leaning towards prior but either I think would be fine.
